

AGF NHC Tactical Alpha Fund

Principal Terms¹

This document is not an offer to sell any securities of AGF NHC Tactical Alpha Fund (the "Fund") and it is not soliciting an offer to buy such securities in any jurisdiction where the offer or sale is not permitted. Any prospective investor wishing to purchase securities of the Fund will receive a copy of the Confidential Offering Memorandum of the Fund. Prospective investors are strongly encouraged to review a copy of the Confidential Offering Memorandum before investing, including without limitation the risk factors described therein before making an investment decision.

AGF NHC Tactical Alpha Fund (the "Fund")'s investment objective is to generate attractive risk-adjusted returns across market regimes while maintaining low beta to traditional asset classes. To achieve the Fund's investment objective, the Fund will indirectly invest substantially all of its assets in New Holland Tactical Alpha Master Fund LP, a Cayman Islands exempted limited partnership (the "Master Fund"). The Fund, via the allocation to the Master Fund, has access to a wide range of alternative investment strategies such as commodities, arbitrage, event-driven, global macro, and quantitative strategies, that are generally not available to individual investors which can further diversify risk and potentially enhance returns.
